

Sunday Follow Up – 2/12/17  
Missions

Good Morning! I truly hope you enjoyed Naomi Ord being with us. I hope her message made you stop and think. Each of us needs to be involved in “preparing the way.” What would it look like if we “got our lives thoroughly right with God?” Are you right with God in the details of life? Are you allowing Christ to rule behind closed doors? Would you be an “Ohmar” this week at work and in your homes and in the stores we frequent? Would you ask God to use you in new and creative ways?

Pastor Nathan
