## Pastor's Corner

April 2017

It's springtime, what a great time of year. It's the time of restoration and rebirth. It's when we enjoy seeing things begin to grow! What if I told you, you could see your finances and resources grow? Yep, you guessed it; I would like to challenge you and your giving. Now before the arguments of why you can't afford to, or that's an Old Testament idea, just stop. In 30 years of ministry I've heard almost every reason why you can't trust me. You owe too much, kids are expensive, and we are just getting by as it is or I need to save for retirement. I've even had people tell me it's theirs, they earned it and I'm not giving it to the "church." Honestly, I'm sure you could find a good reason why you can't tithe and it could be logical and reasonable.

And let me put a rumor to bed now, my salary does not go up if you give more, and I don't control the finances the Governance Authority handles that. And I don't know what you give, I've been told a good pastor should know that information, but I believe that's between you and God.

This month if you have some time read the book of Malachi in the Old Testament. It's an interesting powerful book. It speaks of the nation of Israel dishonoring God. They claim to be right with God verbally, yet in the details of life, the everyday things, they are far from the Lord. In chapter 3, the Lord asks his people to return to him and He will return to them. What an amazing promise. They ask how, he asks them to stop robbing Him. What! God cares about what we have, yes he does, because it's a matter of honor and trust and obedience to Him. Basically the Lord says the nation has been fudging the numbers. And because of that all their resources are under a curse. In other words there is a whole lot more month left when all of the resources are gone. Does that sound about right? But then the Lord offers them a crazy, huge, audacious challenge!

*"Bring the whole tithe into the storehouse (temple) that there may be food in my house. Test me in this, says the Lord Almighty, and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it. I will prevent pests from devouring your crops and the vines in your field will not cast their fruit says the Lord Almighty. Then all the nations will call you blessed, for yours will be a delightful land says the Lord Almighty."* (Malachi 3:6-12)

The Lord Almighty isn't speaking figuratively. He is saying I will take care of you. I will make a way in all areas of your life. Notice he wasn't talking to a people that were able and successful, he was talking to a people who couldn't make ends meet. This really isn't about what they could afford it was about their willingness to trust and honor their Lord! I have found it's easy to say "Yes I trust God," when there is never a risk or cost or sacrifice, it's another thing when those words are tied to a tangible item or resource.

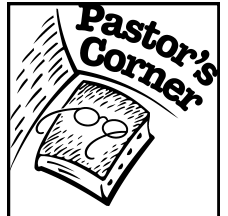

So how will you respond? Might I ask you to put the Lord to a test? He does after all say "test me in this." Maybe we could go bigger than just your tithes and offering, what about your time and talents and gifts? You see I've always figured money is the smallest asset we have, and if we can't trust Him with that why even consider the bigger issues in life.

So this spring as you watch the birds and flowers and budding trees and realize God takes care of them, why not believe he can take care of you!

Keep trusting Him,

*Pastor Nathan*

# Missions Corner.... A STORY FROM W. AFRICA

Daniel was born into the Bobomadare tribe and raised in a family of animists. His father was a powerful shaman (witch doctor), and Daniel grew up fearing the spirit world and its powers of retribution. (Animism is the belief that all things, including animals, plants, rivers, mountains, the heavens, etc., have a spirit or soul; these spirits must be appeased.)

One day when he and his brother were at the local farmers' market, an Alliance lay evangelist told Daniel the good news about Jesus. Excited to hear that Jesus was the One more powerful than the spirits, the two brothers decided that they wanted to follow Him.

## Confrontation

Being an obedient son, Daniel asked his father's permission to follow the Jesus road. "Yeah, if you want to follow this Jesus, that's OK," the father replied. So Daniel and two of his brothers began attending the local church plant in their community.

One day, their father asked his sons to visit him at home.

When the three arrived, their father ushered them into his bedroom and closed and locked the door. "This was kind of unusual," Daniel remarked.

"I called you here today because I see that you're following this false religion, this one you call Jesus," the father said. "I've asked you to come because I want to let you know that this has brought shame upon our family. You have a choice today."

At that point, Daniel's father pulled out a sharpened machete. "This is the choice before you," he said. "Either you deny this Jesus, or this is the consequence."

## It's Like Honey

"You know I asked your permission to follow the Jesus road," Daniel replied. "You gave your permission, and I've followed this Jesus. It's like when you find honey in the bush and you taste it—it's so sweet and so good.

"If I hadn't followed Jesus and tasted how sweet and how good He is, then it wouldn't be a hard decision. It wouldn't be a decision. But I want to let you know that I'm willing to follow Jesus—whatever the cost!" (When Daniel shared this part of the story, I about fell off my seat. I don't know if I would have had his courage.)

At this point Daniel's younger brother got up and left. But Daniel and his older brother remained and courageously faced their father, who backed down and opened the door to let them go.

Daniel continued to follow the Lord after this encounter. He later attended Bible school, where he met his wife, Chantel. We are so grateful that they are now cross-cultural workers among the Dogose people.

## JESUS IS RISEN!

When Jesus' disciples saw that the stone was rolled away from his tomb, they knew he had risen. Make a moveable tomb to celebrate Easter.

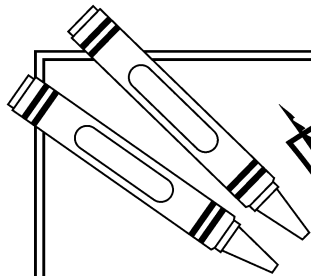

### What you need:

- 4 pieces of paper (brown, blue, black, yellow)
- Scissors
- Pencil
- Glue stick
- Brad fastener
- Marker

### What you do:

1. Fold the brown paper in half, short side to short side. Cut along the fold. On one half, draw and cut out a large half-circle (the tomb). On the other, draw and cut out a palm-sized circle (the stone).
2. Glue the brown tomb onto the blue paper.
3. Cut a black circle (the inside of the tomb) the same size as the brown stone and glue it onto the brown tomb.
4. Place the brown stone over the black half-circle; this is the entrance. Push the brad through one edge so the stone can move from side to side.
5. Cut out a cross from the yellow paper and glue it by the tomb.
6. Write "Jesus is risen!" atop the blue paper.
